## SUMMARY

An engaging, self-motivated and extremely driven individual with an appetite for understanding new concepts. I am a quick learner, working well within a team as well as on individually assigned tasks. I am looking for a role as a software engineer within a professional and progressive company to make use of and build on the IT skills and experience that I already have to offer. I am currently studying Computer Science at the University of Leicester and on target for a first degree with honours.

## SKILLS & ABILITIES

### Languages & Frameworks

Java, C#, C++, C, Spring, Spring Reactive, HTML, CSS, SQL, NoSQL

### Techniques

OOP, Agile, BDD, TDD, Backend Development

### Familiar With

JavaScript, jQuery, Haskell, XML, Unix, ASP.NET

### Operating Systems

Linux, Windows

## WORK EXPERIENCE

### CUSTOMER ASSISTANT P/T

TESCO STORES LTD

2015 - Present

Took a part time role so that I could pursue a career in I.T. Duties are mainly customer focused.

### DEPUTY STORE MANAGER

TESCO STORES LTD

2010 - 2015

Working and reporting directly to the Store Manager and close to the senior management teams of Tesco. Duties included managing financial aspects, being accountable for the staff relations and training, also pro-actively ensuring the business plan of the company is reflected in-store and to a high standard.
